**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition for broadband services. The established name brands provide lousy expensive service. The newer smaller companies are less expensive and more responsive. Please do all you can to enable these alternative services. Broadband has become my main entertainment and communication source.
